 15:26 **NGELICA.** oh the way they do things in life if they are sloppy ... if they are slow...if they are full of passion

16:04 **SHERMAN**. ...
16:04 **SHERMAN**. he had a young period, where he composed standard orchestral music
16:04 **SHERMAN**. and then he went through a period where he didn't write music at all
16:05 **SHERMAN**. didn't listen to music
16:05 **SHERMAN**. didn't talk to people
16:05 **SHERMAN**. he had decided not to write music again

one note!
